needed. For him we are finding room for the past 20 days, he is now adult and according to the law he cannot stay at children home.

He needs support until he has a job also Stichting is ready to provide vocational training if he is motivated. He is given works and prepared to live on his own.

Ramesh Thapa, Krishna Youngan discussing about Toyaj

Reports of Children

Children were having 1st terminal examination by 9th June and ends on 18th of this month. They attended their school and exam regularly and children were busy with their exam and some children didn't have examination but they had school. During their examination tutors were requested take extra class too So the children can prepare well for their examination. There were no conflicts Seen between the children. They are enjoying each other's company.

After the completion of their examination they were had good time during the month. they had holidays and spend most of their time in playing, making drawings, helping mothers at home and watching TV. They were well cared by the home mothers and well feeded with nutrients diet.
