### Family Based program

Shalu now 13 years old, was brought by her parents after the death of her mother at age of 10. There were no one able in her family to care of her so she was bought here.

DH is running project to find the family root of Children. While going through the files OM Mr. Aashu Visited to Shalu house for investigating about her family. After proper research OM found that her father got 2<sup>nd</sup> married and able to take care of her. There was proper discussion done with her family.

Her step mother was gleeful to see her, she promised to do all she and her husband could to bring Shalu up with love and care. Shalu, spent nearly 3 years at DH. She has been reunited with her stepmother and father, who vowed to provide the care and love.

### New projects

The construction of drain in the west part of DH is successfully completed. Shower, soap dispensers and towel hanger were installed in the bathrooms, the safety tank of toilet is yet to be cleaned and pipes needs to be changed. A part of work is remaining which will be completed within 20<sup>th</sup> of april.
